TO ALL FENCING FEDERATIONS IN ASIA AND OCEANIA

Please be informed that during the upcoming 2016 Asian Under 23 Fencing Championships to be held in Tokyo Japan, we will be using the new FIE timing for Sabre with the existing 4 meter distance.

The rule is as follows:

* **4 meter Rule** – The front foot is placed on the Engarde line.

* **New Timing** - After a hit has been registered, a subsequent hit made by the other fencer will only be registered if it occurs within a maximum of 170 milliseconds (± 10 ms tolerance).

Please be guided accordingly and inform all your fencers and coaches participating in saber events.
